Dear Sirs, I would like to take the time to express my gratitude to you and your office. As you are aware, I was subjected to a complaint during the trial of a former police officer which led to an Internal Affairs investigation alleging criminal misconduct. The FPOA put me in contact with you and from day one; I felt that I was in good hands. Mr. Acevedo took the time to explain the processes and his expectations. Although I have been an officer for 16 years, it had been quite some time since I had been an accused; and never one of this magnitude. As this investigation comes to a close, the allegation was "UNFOUNDED." Again, I wanted to pass on a sincere "Thank You" for your help and support during this time.

Sincerely,
